## SPA CIP 125W IP66

The SPA CIP 125W IP66 laser marker is the fastest laser marking system in the market, designed to be installed in any labeling system (Krones, KHS...) prepared to be able to print up to **2500 characters / sec.**

### MAIN FEATURES

- Power range: 125 W
- Available in IP66 and UHS
- Beam exit: SPLIT HEAD
- Software: Linux-Scanlinux, Marca
- Optical configuration: beam expander, focal lens 100x100 (std)
- Galvo head: UHS
- Air cooled
- Articulated arm

### TECHNICAL SPECIFICATIONS

|                           |                                                                                        |
